Welcome to the RMH Image Group Newsletter. Almost daily a customer will say, "I didn't know you could do that!" We want to let you know just how much we can do. Therefore, we provide this newsletter on a monthly basis to highlight a unique and interesting project completed at RMH.

RMH has the in-house capabilities to help manage your graphics programs. By allowing us to do so, we can achieve consistent color and construction across all product lines helping you maintain your brand. Here, RMH is called upon to manage a graphics program for a partner of TENA. We print graphics on-demand, warehouse products when not deployed, deliver products locally and ship products across the nation or worldwide.
