

What's Up at RMH

December 2006

Welcome to the RMH Image Group eNewsletter. Almost everyday we hear the same statement from our customers: "I didn't know you could do that?". So in an effort to keep you better informed, each month we will spotlight a recent unique project we completed at RMH.

The Weebles are Here

Some displays are meant to be eye-catching. Others are posted only to inform passersby. Ecount's recent life size "weebles" take the cake on both accounts. Recently RMH and Ecount worked together to develop the "Weebles". These displays were 6 feet high with cartoon speech bubbles attached. Once mounted the characters were then **die cut** by hand. Custom **gatorboard easels** were then attached to the backs using velcro and gaffer tape. The easels were designed to make the "weebles" self standing and collapsible for travel. Behind the heads the cartoon speech bubbles were mounted, die cut, and attached with velcro.

Happy Holidays

RMH would like to make the holidays a little more cheerful for some. This year we have decided to make a donation to the American Cancer Society. The donation will be made on behalf of RMH Image Group and all of our customers and partners.

RMH wishes everyone and their families happy holidays
